

Md Fahim Rahman

Date of birth: 12/03/2000 | **Nationality:** Bangladeshi | **Gender:** Male | **Phone number:** (+880) 01704893206 (Mobile) | **Email address:** rxfahim12@gmail.com | **LinkedIn:** <https://www.linkedin.com/in/fahim/24/> | **WhatsApp Messenger:** +880 1704893206 | **Address:** 12, Koshba, Dinajpur Sadar , Dinajpur, Bangladesh (Home)

● ABOUT ME

I am passionate about enhancing my technical expertise and expanding my knowledge in the fields of soil, water, and environmental science. With a focus on research and communication, I am committed to contributing to sustainable solutions in the face of global change.

● EDUCATION AND TRAINING

16/01/2020 – 23/01/2025 Khulna , Bangladesh

B.SC. (HONORS) Khulna University

Gained a comprehensive understanding of soil science, water resource management, and environmental sustainability, focusing on soil fertility, organic amendments, and ecosystem health. Acquired hands-on research experience in soil physical properties, nutrient dynamics, and sustainable land management practices.

Website ku.ac.bd | **Field of study** Soil, Water and Environment | **Final grade** 3.49/4.00

2018 – 2019 Dhaka, Bangladesh

H.S.C Birsreshtha Munshi Abdur Rouf Public College, Dhaka

Field of study Science Studies | **Final grade** 4.83/5.00

2016 – 2017 Dhaka, Bangladesh

S.S.C Mohammadpur Model School And College, Dhaka

Field of study Science Studies | **Final grade** 5.00/5.00

● WORK EXPERIENCE

05/2024 – CURRENT Khulna, Bangladesh

HEAD OF BUSINESS DEVELOPMENT LEXICON BRITISH COUNCIL EXAMINATION VENUE

As the Business Development Lead at Lexicon, I manage all marketing campaigns and materials, handle sponsorship deals, plan and execute discount strategies, organize seminars, visit potential business locations, participate in job fairs, and arrange competition-building events to enhance brand presence and foster growth opportunities.

● DIGITAL SKILLS

Microsoft Office (Word , Excel and Power Point) | Video Creation | Graphic Design | Advertising Copywriting

● LANGUAGE SKILLS

Mother tongue(s): **BENGALI**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	B2	C1	C1	B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

STANDARDIZED TEST SCORES

16/09/2024

IELTS

Overall 6.5

Listening 7.5

Reading 6

Writing 6

Speaking 7

FIELD SPECIFIC SKILLS

Including Soil, Water and Environment

Soil: Soil profiling; horizon nomenclature; soil sampling; soil physical and chemical properties identification and analysis (quantifying soil acidity, soil electrical conductivity, organic carbon and organic matter, moisture content, bulk density, textural class, particle size distribution microaggregate analysis of soil, cation exchange capacity, percent base saturation, sodium adsorption ratio and exchangeable sodium percentage); identify and characterize common rocks and minerals; mini pit description, identification of diagnostic horizons, physical and chemical analysis and classify soils on the basis of US Taxonomy, FAO-UNESCO and WRB classification systems.

Water: Water sampling; construction and interpretation of hydrograph; water quality analysis; water quality monitoring.

Environment: Community analysis of a particular ecosystem.

RESEARCH AND SURVEY

Expert in Quantitative Research, Data Analysis, and Land Use Survey

i. Apt in Synopsis development, Quantitative research design, Tools design & Piloting, Data collection and data cleaning, Quantitative data analysis, Appropriate data visualization, Results interpretation and a range of report writing.

- ii. Soil Survey.
- iii. Land Use Survey.

GEO-SPATIAL DATA ANALYSIS AND VISUALIZATION

Expert in Geo-Spatial Data Analysis and Cartographic Visualization

Capable of geo-referencing, geo-processing, spatial statistics extraction, spatial analysis and advanced cartography using ArcMap.

TECHNICAL SKILLS

Laboratory Instrumentation Expertise

- i. Can operate Electrode pH meter and EC meter.
- ii. Can operate Flame Emission Spectroscopic meter, Distillation Apparatus, Kjeldahl Digestion Apparatus, Titration Apparatus etc.

● **COMMUNICATION AND INTERPERSONAL SKILLS**

Strong advocacy, communication and networking skill

Attended key seminars, symposiums, and webinars on soil-water salinity, climate change, and sustainable development (2021–2024).

Engaged in career development, event planning, and youth community enlargement initiatives.

Conducted field surveys on crab farming and volunteered in academic competitions.

Hosted the Banglalink Ennovators 6th Edition Roadshow at Khulna University.

Participated in the National Soil Olympiad 2021.

● **ORGANISATIONAL SKILLS**

Leadership and Organizational Skills

Directed key events, including TEDx Khulna University (Head of Promotion, 2024)

Organized career development seminars, including Mastering Your CV & Corporate Grooming (2024)

A Financial Literacy Program with IFIC Bank (2024).

Served as Secretary (2023–24) at Rotaract Club of Khulna University and Led Pedon as President (2023–24).

Coordinated the European Film Festival (2023), featuring EU Ambassador Charles Whitele and Served as Captain of the SWE Cricket Team (2023).

Chair of Community Service (2022–23) at Rotaract Club of Khulna University and Education Secretary (2022–23) for the SWE Discipline.

Executed public speaking competitions (Talking Titans 2022–2023) and Khulna University Job Fair 2022.

Convened Fresher's Reception (2022) and an Adolescent Health Awareness Seminar named at Koyra in Khulna (2022).

Founded Thoughts Behind the KU (2020–24), an online club at Khulna University.

Led fundraising initiatives for social causes, such as winter clothing, scholarships, and community project (2020–24).

● **RESEARCH WORK**

Effects of Two-year Organic Manure and Vegetative Cover Practice on Soil Fertility and Aggregate Stability

(Unpublished)

2024: Aggregate stability and fertility status tests are essential for accurately assessing and ranking soil responses to water, wind, and management practices. Therefore, quantification of the interactive effects of organic amendments and vegetative cover on soil aggregation, aggregate stability, and their roles in soil fertility is of immense importance to sustainable agricultural practices. So this research had been conducted in order to measure the effects of the rate and time of organic amendments and vegetative cover practice for two years in the improvement of Soil physical indices and soil fertility indices. Supervisor: Professor Md Sanaul Islam, BSc thesis submitted in the Soil, Water and Environment Discipline, Khulna University, Khulna.

● **HONOURS AND AWARDS**

Awards and Grants – Khulna University

2024; Best Community program Chair Award 2022–2023.

2024; Outstanding Rotaractor of the Year Award 2022–2023.

2023; Rising Star of the Year Award 2021–2022.

2023; Runner Up, Inter University Cricket Tournament 2023.

● **VOLUNTEERING**

Khulna University
Volunteering and Community Engagement

Volunteered at the Three-Minute Thesis Competition 2023 at Khulna University.

Assisted in organizing World Soil Day 2023 at Khulna University.

Volunteered for fundraising efforts for social causes, including winter clothing and educational material distribution (2020–24).

● **HOBBIES AND INTERESTS**

Personal Interests and Activities

Playing cricket and enjoying other outdoor sports.

Volunteering for community service and social causes.

Public speaking and participating in discussions and events.

Photography to capture unique moments and express creativity.

Listening to music and enjoying storytelling for relaxation.

Gardening.

Spending time with friends and family for meaningful connections and fun.
